Codniv Innovations Pvt. Ltd.

Date: 2026-05-12

To whom it may concern

This is to certify that **Mr. Prastav Koirala** has worked remotely at **Codniv Innovations Pvt. Ltd.** for three months from February 02, 2026 to May 01, 2026 as a UI/UX Design Engineer Intern.

During the entire period of internship, we found Mr. Koirala to be punctual, hardworking and a committed team player with a positive learning attitude.

His work responsibility included :

- Designing user-friendly website interfaces and digital experiences using Figma.
- Creating wireframes, interactive prototypes, and responsive layouts for web and mobile applications.
- Developing logos, brand identities, typography, and demo brand websites.
- Designing dashboards and visual assets using Figma and Canva.
- Applying UI/UX principles, visual hierarchy, and consistent design systems to improve usability.
- Preparing design assets and prototypes to support frontend development and implementation.

Codniv affirms that the above-mentioned information and duties are true and we wish all the best to Mr. Koirala for his future endeavors.

Sincerely,

Rupesh Poudel

Chief Operating Officer

CODNIV INNOVATIONS PVT. LTD. KATHMANDU, NEPAL
